Dear Mr. Miller:

The U.S. Department of Education's (Department's) San Francisco/Seattle School Participation Division (Division) issued a program review report on January 9, 2012 covering Pacific College of Oriental Medicine's (PCOM's) administration of programs authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 et seq. (Title IV, HEA programs), for the 2010-2011 award year. PCOM's final response was received on February 17, 2012.

The Division has reviewed PCOM's response to the Program Review Report. A copy of the program review report and PCOM's response are attached. Any supporting documentation submitted with the response is being retained by the Department and is available for inspection by PCOM upon request. Additionally, this Final Program Review Determination (FPRD) and any supporting documentation may be subject to release under the Freedom of Information Act (FOIA), and can be provided to other oversight entities after this FPRD is issued.

PCOM's response has resolved all findings. In addition, PCOM has provided assurances that the appropriate corrective actions have been taken to prevent future occurrences of all findings. Therefore, PCOM may consider the program review closed with no further action required.

Program records relating to the period covered by this program review must be retained until the later of: the resolution of the loans, claims or expenditures questioned in the program review; or the end of the retention period otherwise applicable to the record under 34 C.F.R. § 668.24(e).
